## Guided Tour: Exhibition Insights

Sunday, 20 July 2025, 14:15 – 15:15

### Program

The tour offers insights into the exhibition CORSIN FONTANA / MATIAS SPESCHA, with a focus on the drawings and graphic works of the two artists, characterized by their search for a radical reduction of their iconography to its essential elements.

Project director Esther Spycher will guide you through the exhibition and provide insights into the background of selected works.
